Week Beginning

27.01.25

Dear Families,

Thank you all for your support as we started back in the new year. It can always be difficult returning after Christmas, leaving gifts, lots of germs flying around, and as we've seen some variable weather! The spring term brings lots of opportunities to celebrate the Eisteddfod, World Book Day and in the second half term you will have your face to face parent – teacher meeting. We look forward to collaborating with you to celebrate you child(ren)'s progress. Here's a few reminders to help the term run smoothly...

Breakfast Club Times:

- 7:55am - 8:25am Bookable £2 via ParentPay.
- 8:25am - 8:40am Free
- All learners **MUST BE** accompanied into the school building and handed over to breakfast club staff
- Main yard gates open at 8:50am and staff on duty.

Attendance

Attendance is a Welsh Government priority. Our current school target for this year is 95%. We know regular school attendance has a positive effect on learners and has a strong impact on learner outcomes, standards and progression. As a cluster we do not approve term time absence unless it is an exceptional circumstance or religious celebration. Please report any absence by 9:30am to the school office 01873 830325.

Collection

Please ensure once lower learning phase learners are collected from school they stay with the adult that collected them whilst they are waiting for older siblings. If you would like you child to walk home (learns in year 3 - 6 only) please ensure you fill out a permission slip form the main office. Any learner staying for extra curricular clubs or attending Hopscotch after school club **must be** collected by an adult.

School Dinners

Please check that your child like the menu choices available as we have seen an increase in food waste from school dinners due to children not liking the lunch on offer. Staff monitor closely and encourage learners to eat as much as possible but learners often express that they don't like the menu choice.

Valentines Disco

February's focus value is love. We kick off the celebrations with a valentines disco for both phases on Wednesday 5th February (timings over leaf). Optional 'red' theme. Lower learning phase need their disco clothes and £5 entry sent into school. £5 on the door for upper learning phase. All funds raised will go towards purchasing our new reading scheme.
